DATE : SEPTEMBER 05, 2007.

P.C.

1. This is an application for condonation of delay of a period of four days in filing the Civil Revision Application against the order dated 8.3.2007. Earlier the order dated 8.3.2007 was challenged by the applicant by way of a Civil Application in a pending Letters Patent Appeal. That Letters Patent Appeal was held to be not maintainable. Thereafter, the authority has filed this

substantive Civil Application against the order dated 8.3.2007. In paragraph 4, the authority has explained the reasons for the delay which appears to be administrative in nature. Apart from the bare denial, there is nothing to indicate in the reply that the statement made by the statutory authority should be disbelieved.

2. In the circumstances, this application for condonation of delay is hereby allowed. Put up the Civil Revision Application for admission next week.
